Cosmetics

#weloveyourhair

Loving your hair since 1982

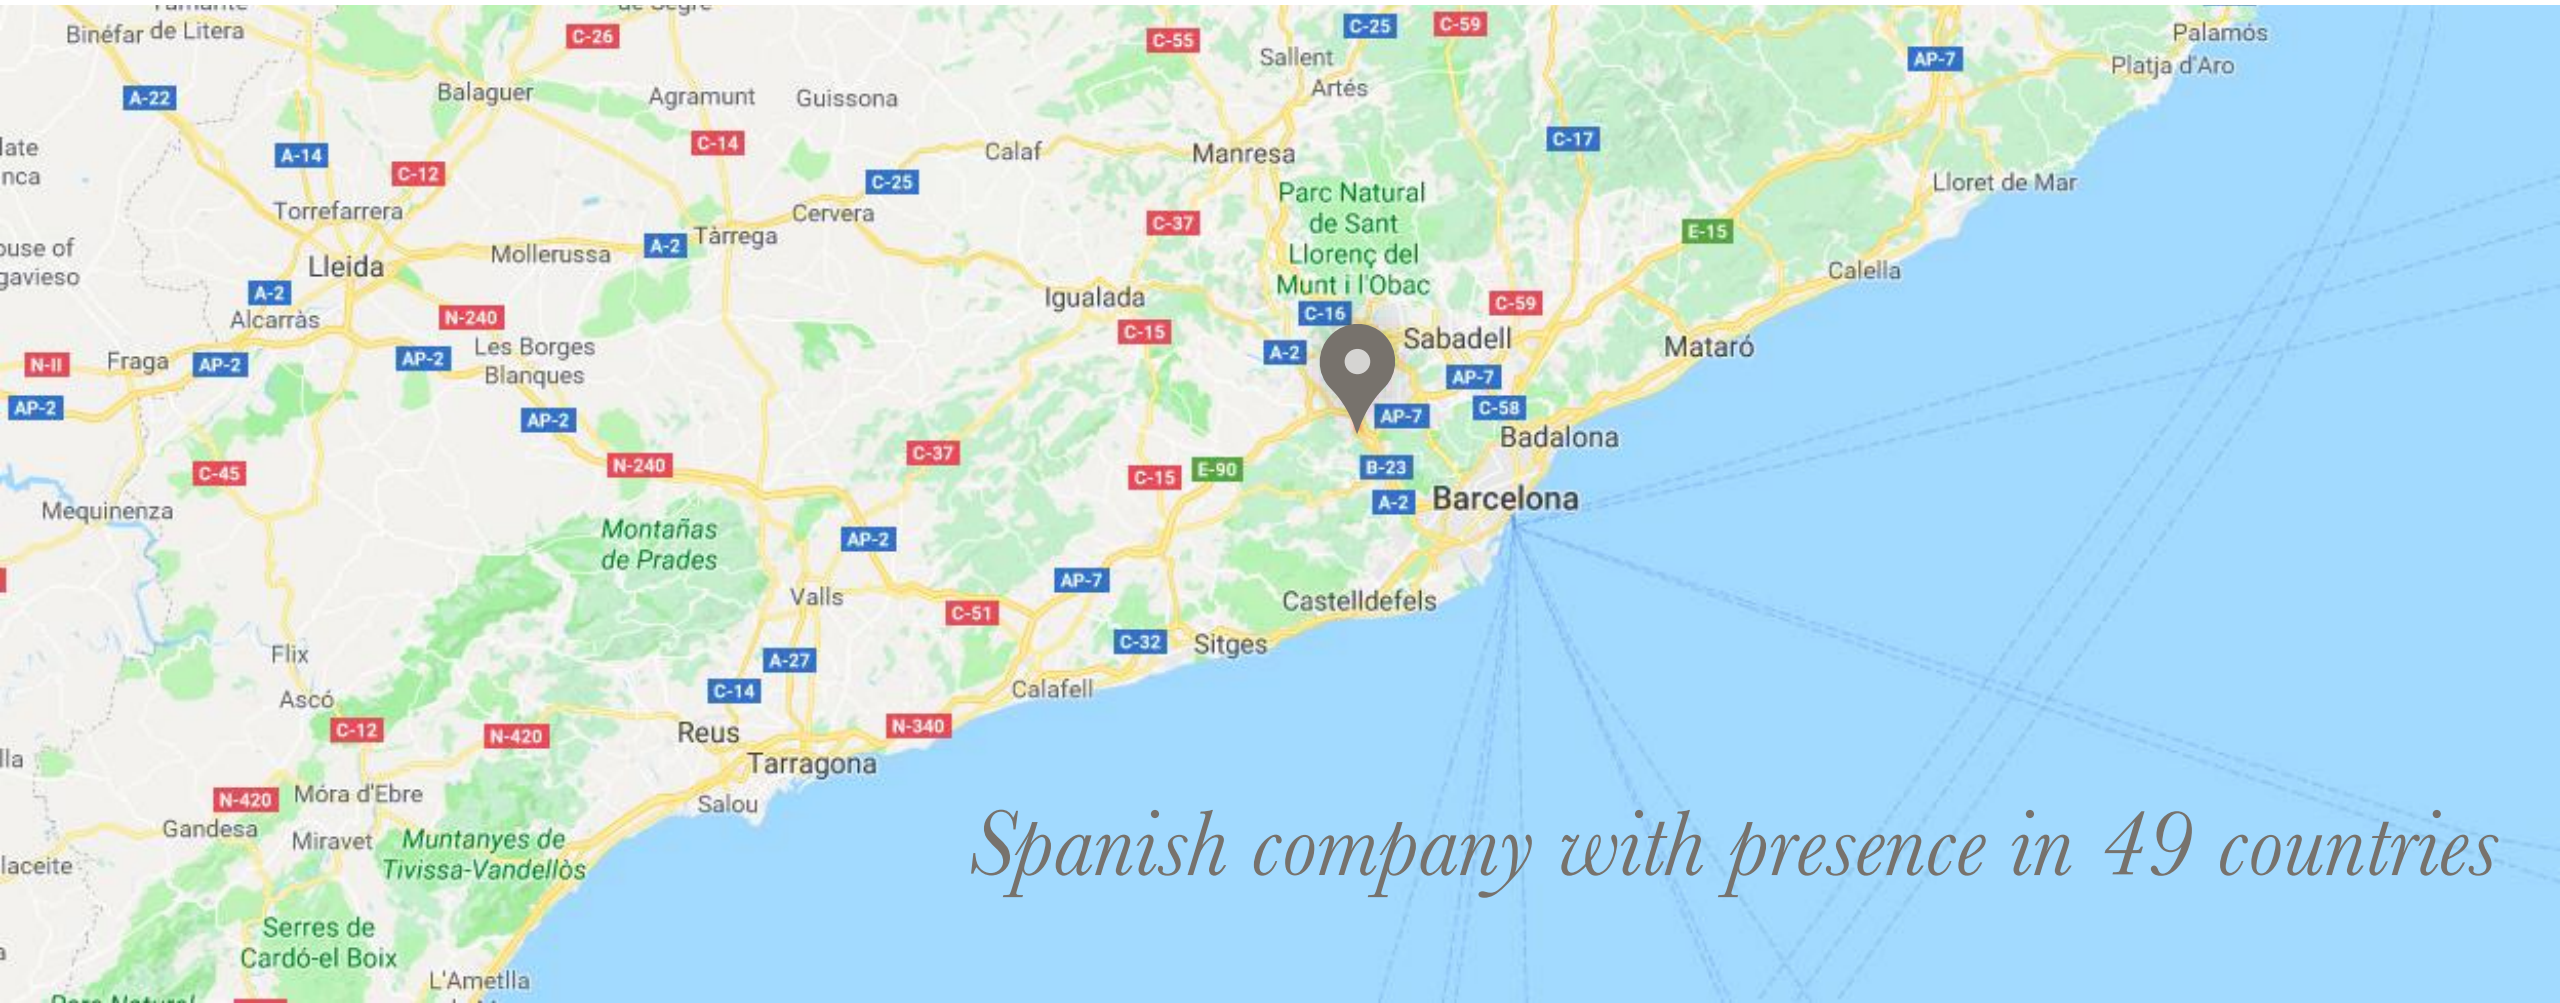

We are a family business

Founded in 1982 as a continuation of family businesses on a
personal basis

With experience in the hairdressing sector since 1932

Our facilities are located in Sant
Andreu de la Barca

An industrial town at 25 km from
Barcelona, Spain

Spanish company with presence in 49 countries

More than 6000 sqm

Manufacturing
Filling /Packing
Laboratory
Warehouses
Expeditions

High production capacity

Production machinery for each specific type of product

Packaging of large batches

Wide variety of automatic filling lines for different formats

With the latest manufacturing and packaging technology

Regulated by European and Spanish regulations

Clean rooms with air controlled by F9 certified filters in liquid, cream and solid manufacturing areas, in weighing and filling areas

Our departments are made up of highly
qualified people

*More than a very united team,
we are a small family*

Certificates that guarantee the highest quality of our products and processes

UNE-EN ISO 9001:2015

The basis of the **quality management system**

UNE-EN ISO 22716:2007

Which includes the Good Manufacturing Practices (GMP) evaluated by the International Standard Organization (ISO) and that **guarantee the highest quality in the field of cosmetics worldwide**

Our customers, our friends

In our national and international distribution network we have long-standing customers, which supports us as a serious and strongly established company

We participate every year in the main international fairs
